

Game Changes:

- The first two (2) scheduled weekends will be an ease in sessions to implement the COVID19 Protocols to the players, referees, and team staff
- There will be no throw-ins (Handled as an indirect free kick)
- Players are not allowed to handle the ball in the field of play except for the Keeper
- Spitting and nose clearing must be confined as much as possible (use your sleeves or jersey)
- There will be no equipment and beverages sharing
- Each team will designate a staff for equipment handling (Nets, Balls, Flags etc.)
- Each team will provide hand sanitizer for the players and staff
- Each team will provide 2 sanitized game balls, (4 game balls), re-sanitized repeatedly during the game for re-use
- Once a ball is out of play, a sanitized one will be introduced

First Aid Protocols

- Each team will provide a First Aid Kit for minor injury
- Each team will have a designated staff member to administer minor First Aid treatment
- The First Aid (attendant) will be wearing gloves and mask while performing the treatment
- Only minor injury will be treated on location
- Emergency Response will be called for any injury requiring medical attention

League Schedule Changes:

- Games to be played in a round robin format in a “Co-hort” of 4 teams or less to a maximum of 50 Players per Co-hort (game) and to a maximum of 100 players per Group
- There will be 2 weeks break (Quarantine Period) after the 1st. round robin is over (6-8 Games)
- After 2 weeks break (Quarantine Period), teams will change over to a new “Co-hort” for another round robin in your new Co-hort/Group)
- The cycle will repeat until the end of the season.

If things improve during and after the 1st. try (1st. 2 weeks break), BC Soccer indicated that they may eliminate the “Group/Co-hort” but participants will still have to remain within their League
