

## **BC MASTERS SOCCER LEAGUE, WAIVER & INDEMNITY**

**NOTE: THIS RELEASE FORM IS A CONTRACT WITH LEGAL CONSEQUENCES. PLEASE READ IT CAREFULLY BEFORE SIGNING.**

I want to participate in the 2019 – 2020 Winter Season of the BC Masters Soccer League (BCMSL).

I understand and acknowledge that the sports of Soccer may involve physical risk. I understand that the games of Soccer either in tournaments, regular games or practicing are played on fields of various surfaces whose conditions are unpredictable due to the weather and could contribute to unsafe conditions that could result in serious personal injuries.

In consideration of BCMSL accepting me as a participant during the 2019 – 2020 Winter Season, I, my heirs, executors, administrators, successors and assigns, hereby release, waive and forever discharge BCMSL, its owner and sponsors and all their respective agents, officials, servants, contractors, representatives, directors, elected and appointed officials, successors and assigns of and from all claims, demands, damages, costs, expenses, actions and causes of action, whether in law or in equity, in respect of death, injury, loss or damage to my person or property howsoever caused, arising to or to arise by reason of my participation in the 2019 – 2020 Winter Season of BCMSL, whether as a spectator, participant, competitor or otherwise, whether prior to, during, or subsequent to the 2019 – 2020 Winter Season and notwithstanding that same may have been contributed to or occasioned by the negligence of any of the aforesaid. I further hereby undertake to hold and save harmless and agree to indemnify all of the aforesaid from and against any and all liability incurred by any or all of them arising as a result of, or in any way connected, with my participation in the 2019 – 2020 Winter Season of the BCMSL.

By selecting "I agree to the waiver above" button, I acknowledge having read and understood the above release, waiver & indemnity.

I understand that the sport of Soccer requires physical exertion and that I should consult a physician before participating in this or any other strenuous physical activity.
